

**-Ambassadors X Marianne -**

At the end of June, we've had the pleasure to welcome Mr Hamadziripi, ambassador of Zimbabwe, Mr Farnaud, ambassador of France and Mr Ngiwete, the High Commissioner of Namibia. The visit included a Wine cellar tour, sharing of typical south african platters and tasting of Marianne's flagship: the Floreal 2004. Our winemaker explained Marianne's savoir-faire and share comon our passion for wine, all in a warm and friendly atmosphere. We'd like to thank the ambassadors for choosing Marianne, it was a great honour for the team and we are looking forward to the next visit.

*Congratulations!*

### **- The Floreal 2010 in Johannesburg -**

Marianne is proud to announce the launch of its Floreal 2010 for sale on the Johannesburg market. The occasion to taste an amazing vintage is available for everyone. A fermentation from 18 months in French oak barrels enables a perfect flavor extraction. Roundness and finess thanks to the Bordeaux blend will convince you to taste it !

## **- Relaunch of the Marianne Wine Club in Johannesburg -**

We started the Marianne Wine Club in 2014 to reward loyal clientele and to build on friendships formed at the estate. Our members are our best ambassadors and it has been hugely rewarding to see it grow, and to see familiar faces returning to the farm and attending our events and affiliated shows across South Africa.

Today, we are happy to announce the relaunch of a Club in Johannesburg region better catered to our clients from the North.
